

Fund for Gender Equality Intermediary Agreement

Grants through the Fund for Gender Equality activated by Community Foundations of Canada and participating community foundations, can only be made to Qualified Donees (QD). Non-qualified donees (NQDs) may indirectly apply to a participating community foundation by securing a “fiscal sponsorship” from a QD. A fiscal sponsorship is when a QD agrees to take on a project as its own activity and engages a NQD as an intermediary to carry out the project. This sponsorship should be made between organizations with a mutual alignment of values and missions. If an application with a fiscal sponsor secures a grant, payment will be made to the QD who will be responsible for disbursing funds to the NQD.
